

Women's Association of St. John and St. Mary

Helping Hands

Through its Helping Hands committee, the Women's Association of St. John and St. Mary provides invaluable assistance to those in need within our parish community. *And because nothing brings a smile to your soul faster than helping those in need*, please take this opportunity and help us expand our network of volunteers by adding your name to our roster. Check one or more of the following activities where you are willing to help. Also, please provide your name, telephone number and email address below so that we may contact you as needs arise.

If you know of anyone in the parish who might benefit from Helping Hands' service, please contact Margaret Goodnough at 914-238-7980.

I would like to:
