THE SEASON OF CREATION**

- AN INTERFAITH VIGIL FOR CLIMATE JUSTICE -
We gather in solidarity with Mother Earth & all her inhabitants

Sunday October 1st 2017 3:00 – 5:00pm

THE MARIANDALE CENTER
299 N Highland Ave, Ossining, NY 10562

With LOVE as our source, aware of our failures relating with our planet and each other,
we seek the courage to ask the right questions and the knowledge to create
the change that benefits all creation.

Join us in solidarity with all who suffer throughout the world from climate disasters.

All are welcome to heal our planet home in mindfulness, presence and intention

We'll share readings, poetry, prayer, music, singing and silence...
along with mindful walking of these options:
Nature Trail, Labyrinth & Herbs, Healing Hut,
Butterfly Field, Bee Yard, Vegetable & Flower Gardens,
Route 9 and the Hudson River.
